# What is IEA Youth Chapter?

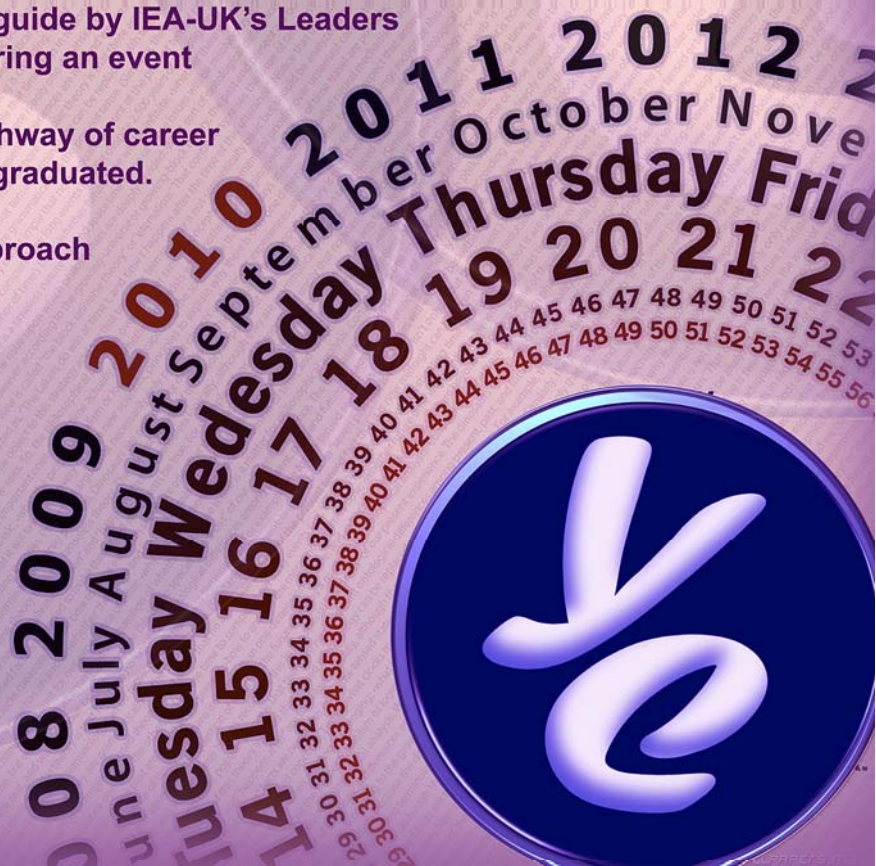

The International Entrepreneurs Association - Youth Chapter (IEA Youth Chapter) is the youth wing network platform established under the flagship of International Entrepreneurs Association, United Kingdom that advocates the culture of entrepreneurship around the world. Other than that, IEA YC engages and empowers youth to enhance their contribution in nation development process, social transformation with the participation of young people, government and stakeholders.

The IEA Youth Chapter will be the ultimate platform for – “Developing Ethical Culture and Fostering Corporate Entrepreneurial Practice among Youth” Other than that, IEA YC engages and empowers youth to enhance their contribution in nation development process, social transformation with the participation of young people, government and stakeholders.

Approximately 400 graduate students will engage in specialized IEA Entrepreneurship Course taught by outstanding business school faculty and outside experts each year.

## Reason of joining IEA Youth Chapter

- Likelihood jointly working hand in hand with affiliate colleges/university/institute for exchanging ideas, news, inter-collegiate programmes and etc. Members will have the opportunity to work out new projects or concepts by turning their ideas and dream into the reality.
- Work out new projects or concepts by turning their ideas and dream into reality or conceive mega projects from private corporations or governmental agencies.
- Opportunity to organize, learn and guide by IEA-UK's Leaders or Top Management towards preparing an event
- Opportunities to create another pathway of career rather than working for other after graduated.
- Able prepared and get practical approach yourself before entered the society and the real world.
- Prepare oneself before entering the working society and enhance oneself ability, knowledge know – how, profile and marketability.
